Re: Abdelsayed v. NYU, Case No. 1:17-cv-09606-VSB-KHP

The Honorable Katharine H. Parker:

Plaintiff George Abdelsayed and Defendants New York University, NYU Langone Medical Center, NYU School of Medicine, and NYU Langone Hospital-Brooklyn f/k/a NYU Lutheran Medical Center submit this joint letter to provide the Court with an update on the case status in lieu of the conference scheduled for February 5, 2020.

The parties are happy to report that expert discovery is complete. The depositions of Dr. Steven Shapiro (Plaintiff's damages expert), Dr. Susan Williams (Plaintiff's medical expert), and Dr. Charlie Diamond (Defendants' damages expert) are all complete.

The parties do not wish to engage in settlement discussions and instead would like to proceed with dispositive motion briefing. The parties note that there is a post-discovery conference scheduled with The Honorable Vernon S. Broderick on February 14, 2020, where the parties are prepared to discuss dispositive motion briefing.

We understand the Court may still require an appearance on February 5, 2020, but the parties wanted to update the Court on the case status.

Respectfully submitted,

/s/ Lauren Goldberg
